AUDUBON HIGH SCHOOL

Audubon, New Jersey

Foreword

*W*E, THE STAFF, present to you, the Class of 1937, this Volume 10 of "LE SOUVENIR," with the hope that you will cherish and keep it. May it bring lasting memories of the happiest days of your youth!

A MESSAGE FROM THE BOARD OF EDUCATION

THE EDUCATION you are now finishing is just the foundation for the structure you are about to build in the field of business and higher education.

The Board of Education has done its best to provide the necessary material for a firm foundation. You, the individual, have been the builder; if you have used the material to the best advantage, there is no doubt that your structure is a firm one.

It is now your civic duty to continue your interest in educational affairs so that future graduates may receive in even greater measure the fruits of education when they arrive at the point you have reached today.

ANDREW F. GANSER,
President

DEDICATION

To MR. GEORGE H. JAGGARD, in appreciation of his untiring effort on our behalf, we, the Class of 1937, affectionately dedicate this book.

FLIGHT OFFICERS

THE CLASS of 1937 sincerely thanks its advisers, Miss Dornbach, Mrs. Schuler, Mrs. Lance, Mr. Keyburtz, and Mr. Neel, for their generous help and guidance.

Supervising Principal

The Supervising Principal's Message

WE ARE HUMAN beings and act much the same in the presence of that which tends to lull us to sleep or which threatens our security. Methods which foster unreasoned subservience weaken an organization, for they strike at the very source of its strength—the wide awake, thoughtful, self-appraising attitude on the part of the individual members.

The highest ideals of search, forbidding any mere selfish quest, demand that all attainable values, particularly those of other personalities, be taken as best possible into account. It is only thus that adequacy, whether of appreciation or of choice, can justly be sought. It is only thus that democracy is truly served.

WILLIAM L. FIDLER, B.S. in Ed.; Ed. M.; Ed.D.

understanding to direct,
the hand to execute."*

MISS GRACE N. KRAEMER
High School Principal

The Principal's Message

AN EDUCATED MAN masters things—ways of doing his share of the work that the world needs to have done; but ever he remains the master. It is the study of man himself—of human nature, human motives, human emotions—which engages the attention of him who wishes to be received into the society of educated men.

And education, like charity, begins at home. Every young person ought to be stimulated to analyze himself—his aptitudes, his limitations, his reactions to people and to situations. He ought to understand, further, that in his ability to adjust himself to others, lies the hope of his success or the certainty of his failure. Only as he fashions his desires and his will into an earnest desire to move in harmony with the laws of men and their ways, as well as things and their forces, can he hope to live a useful life and service his day and generation.

ON BEHALF of the members of the Class of 1937, I desire to thank our parents and teachers for the training they have given us. They have helped us to have faith in ourselves, in one another, and in our institutions. May we show our appreciation to them for their guidance by reflecting credit on Home and Alma Mater!

FLIGHT RECORD OF THE "A. H. S. CLIPPER"

FLIGHT ONE

Date, 1933-34

Flying Forecast—CEILING ZERO

We entered the school as the ground crew. Under our able instructors, Miss Ayres, Miss Baker, Mr. Carl, Mrs. Leonard, Mr. Neel, Mr. Picken and Miss Warlow, we charted our course and learned how to follow it. Our crew was swelled by numerous members from Runnemed and Mt. Ephraim. The full-fledged junior and senior pilots paid little attention to us except when we could give fuel to their planes by supporting their activities. This we did willingly and looked forward to the time for our

SECOND FLIGHT

Date, 1934-35

Flying Forecast—CALM

We were ready to learn the controls of our ship and perhaps fly it a little with Miss Cheesman, Mr. Lambert, Mr. Messenger, Mr. Neel, Mr. Picken, Mr. Troutman, and Miss Wamsley guiding us. True, the ship was a small open cockpit type but we diligently paid a dime each week so that we could purchase a really good one and make the record flight, for which we were even then planning—Audubon to Washington. Our crew chose its leaders: Samuel Sproul, president; LeRoy Purvis, vice president; Mary McManus, secretary; and Louis Iaeck, treasurer. We tried our wings for the first hop of our career in March, which was the time for our sophomore party. Although the music amplifier broke, it was not a major disaster; for some of our more inventive crew remedied it by running their nimble fingers over the key-board of the plane's piano. After this successful hop and a three months' vacation to rest up, we anticipated with joy the take-off of our

THIRD FLIGHT

Date, 1935-36

Flying Forecast—FAVORABLE

Amateur pilots, sitting in the cockpit of our monoplane, we worked the controls ourselves under the supervision of Mrs. Anderson, Mr. Jaggard, Mr. Lance, Miss Thorpe, Mr. Troutman, Miss Wamsley, and Mrs. Weeks. We took off in September and made a perfect three-point landing in June. This was a most exciting and eventful flight. We chose as our officers: Samuel Sproul, president; Mary McManus, vice president; Clifford Mannella, secretary; and LeRoy Purvis, treasurer. Our first junior dance was a great success. The gymnasium was decorated in the Hallowe'en spirit with corn shocks and pumpkin heads. Our next success was the junior play, "A Murder Has Been Arranged," startlingly different and unique. It brought many pieces of valuable green paper into our treasury. We fell into an airpocket with our second junior dance, but recovered with a loss of only two dollars. Diligently, we strove to make the Junior-Senior Prom a success. As the amateur pilots, most of the work fell on us; but we enjoyed it all and were well rewarded to see the gymnasium transformed into an oriental setting. Many of our crew were making their mark in scholastic achievement and the field of sports. We took a leave of absence for the summer before taking off on our record-breaking

FOURTH FLIGHT

Date, 1936-37

Flying Forecast—SKY'S THE LIMIT

We returned to the airport for the last year saddened by the loss of one of our crew. Under the supervision of Miss Dornbach, Mr. Keyburtz, Mrs. Lance, Mr. Neel, and Mrs. Schuler, we chose Samuel Sproul, president; Mary McManus, vice president; Clifford Mannella, secretary; and LeRoy Purvis, treasurer. The rest of us made reservations on the gigantic "A. H. S. Clipper" with only a few, who had to make forced landings, left behind. The Victory Dance (even though the Heights claimed the victory on the field) was more successful than any held before. "Tons of Money"—that was our side-splitting senior play! The title was a prophecy, because tons of money literally rolled into our treasury. Hearts, hearts, hearts—the "gym" was one huge valentine! With such a setting, how could our Valentine Dance be anything but successful? With the throttle wide open, we flew "high, wide, and handsome" to Washington. What a flight! But all too short! And now—we are about to take off on the biggest flight of our career. We are leaving the airport which has sheltered us for four years—each in his own little plane, each bound for a different destination. Perhaps, our paths may cross, who knows? Now, with a twist of the propeller, the whine of the motor, we glide down the runway. Happy landing—happy landing . . . !

MARION ANGERMANN

If you hear an amusing giggle coming from a small dark-haired girl, you'll know immediately that Catherine is near-by. She is very seldom seen around school without her pal Ida. "Cass" is quite an acrobat and roller skater. We hope you will "roll" right into success, "Cass"!

Activities: A.A.A. 2-3-4; Monitor 4.

FLORENCE M. BURGGRAF

"Floss" "Listen, Kitty!"

Activities: A.A.A. 3-4; A.A. Council 4; Year Book, Typist 4.

BETTY CLEAVER

"Betty" "Oh, my goodness!"

You all know this charming lass. Whenever you see her, she is smiling. Betty, who dresses very stylishly, always looks attractive. It was partly due to her voice that the singing of our choir has been so beautiful.

BETTY A. BURTIS

"Bett" "I guess I told them!"

JAMES COUGHLIN

"Jim" "Hello, my friend!"

"Jim" provides plenty of exciting moments for us at the football, basketball, baseball games, and track meets. But he carries his athletics even further; for he likes to "truck," we've been told. Incidentally, he's quite a poet. Lots of luck and success, "Jim"!

LEROY COUNTRYMAN

"Roy" "Where's 'Murph'?"

"Roy" is a track star. You have seen him shadowing "Bob" Gray on the track field. The girls term his dancing "smooth." We wouldn't be surprised if he went in the "truckin'" business. "Roy's" car may not be the latest model, but it takes him where he wants to go.

Activities: A.A.A. 3-4; Track 3-4.

Activities: Operetta 3; Cashier at Games 3.

HARRIET DAVIS

"Harriet" "Sorta, kinda!"

Just to look at Harriet, you would think that she is very quiet, but looks are often misleading. After you become acquainted with her, you'll find her rather talkative. From all accounts, she will probably become an efficient business woman.

Activities: A.A.A. 3-4; Operetta 1-2.

MARY JANE DAVIS

"Mary" "Don't be sarcastic!"

Mary is that attractive brunette with the musical laugh. She never takes her studies very seriously; but when it comes to dancing, she's right on her toes. We hope that you will have much happiness, Mary!

Activities: A.A.A. 1-2-3-4.

MARION P. DEUSCH

"Deuschie" "Hey!"

MARJORIE K. DUNSEATH

"Margie" "When do we eat?"

Presenting one of the prettiest and most popular members of the class! The fact that "Margie" was a cheer leader probably helped to draw such crowds to the football games.

CATHERINE M. FAYER

"Cass" "I wish it were Friday!"

To look at "Cass," you would think she is very quiet and bashful; well—we wonder! When Catherine gets in front of the class to give a talk, everyone watches those bewitching dimples. We hope she will "manage" her life as successfully as she has managed the swimming team!

Activities: A.A.A. 2-3-4; A.A. Council 4; Girls' Swimming Manager 4.

ROBERT M. EDGAR

"Bob" "I'll fix it for you!"

STADIUM DEDICATION

*W*E, the class of 1937, on behalf of the student body, wish to thank the members of the Board of Education and other citizens in the community, for the interest which they have shown in making this stadium possible.

The stadium was presented to Dr. William L. Fidler for the Youth of Audubon by Mr. Andrew Ganser, President of the School Board, on Saturday, October 31, 1936. After an elaborate dedicatory program, the "Green Wave" beat an undefeated Haddonfield team 7-0.

A. A. COUNCIL

THIS YEAR the A. A. Council, by forming a new constitution to cover the increasing number of sports, has proved itself an able, up-to-the-minute representative body of the Athletic Association.

This active Association presented to the school a worth-while contribution—an electric scoreboard, made possible by the receipts of several Tea Time dances. These frolics, along with the annual A. A. Dance, were outstanding successes and a credit to the Council.

CHEER LEADERS

OUR cheer leaders added plenty of color and "pep" to the successful seasons of football and basketball. Under the coaching of Mr. Edward Magill, they introduced a variety of new cheers and some "snappy" school songs, of which "The Eyes of Audubon Are Upon You" and "March, March on Down the Field" are the most popular. On the whole, the spirit exhibited at the games this year was better than that of any other, and we are sure that much of the credit should go to our cheer leaders.

FOOTBALL

THIS SEASON the "Green Wave" felt the loss of last year's veterans on the gridiron. However, the members of the team "piled up" a record of five victories, two ties, and three defeats.

The outstanding games of the season were with Haddonfield and Haddon Heights, when our team beat a previously undefeated Haddonfield squad 7-0, but lost again to the Heights in a really hard-fought battle 6-0.

When next season rolls around, Earl Vandegrift and "Jim" Coughlin will be missed at A. H. S. However, the players who are left are practically all letter men. Can we expect another championship, boys?

HOCKEY

UNDER the guidance of Miss Brady, the 1936 hockey team, had a very successful season, considering the number of inexperienced players participating. With only three letter girls back, Captain Murphy, Ruth Hall, and Lillian Krauss, the Green and Gold lassies tied with Paulsboro for seventh place in the league.

Audubon was proud to place Katherine Murphy, center halfback, on the all-star second team. Although graduation will take Captain Murphy, Lillian Krauss, Eleanor Clifton, and Marian Carter, we are confident that next year's hockey team will be an outstanding one.

BOYS' BASKETBALL

THE boys' quintet garnered the first sectional title in the history of the school when it beat Merchantville and Gloucester in the tournament to win the Group III championship of South Jersey. In addition to this title, it also finished in second place in the Camden-Suburban League.

Of the seven letter men this year, four are graduating — "Jim" Coughlin, Earl Vandergrift, "Rut" Hull, and George Young. Those that will be back next year are Captain "Joe" Mack, "Ray" Cochran, and "Ted" Brown.

GIRLS' BASKETBALL

THE 1937 basketball season was better than any previous one in the history of girls' basketball in Audubon. The team finished in third place in the league. Although the skilled playing of Edith Schweitzer, Dorothy Kopp, Eleanor Clifton, Katherine Murphy, and Lillian Krauss will be missed next year, Coach Brady will have excellent material with which to build a new sextet.

GIRLS' SWIMMING

ALTHOUGH swimming is a comparatively new sport in Audubon High School, the girls have been rapidly building up a strong team. As none of their members are in the graduating class, the Green and Gold lassies, enriched by this year's experience, will offer their opponents some stiff competition next season.

Among those who composed the team were "Dick" Curtiss, "Joe" Foster, "Sam" Sproul, "Chic" Gaskill, "Bill" Donnelly, "Ed" Klenk, "Lennie" Hull, "Squarie" Holmgren, and "Dick" Joseph.

TRACK

COACH LANCE again led his track men through a triumphal season. Even though the team felt the loss of "Bill" Ulrich in the "100" and "220," "Tom" Crowley, "Jim" Coughlin, "Rut" Hull, "Ben" Parkhurst, "Joe" Mack, "Ed" McElvarr, and "Charlie" Gaskill bore up in the other branches of the sport; therefore, the deficit was made up enough for the boys to win a sizeable percentage of their meets.

SOCCER

SOCCER made its innovation this year at Audubon when Coach Magill, taking a group composed mostly of inexperienced sophomores and juniors, made them into a team of "braw bonnie soccer laddies."

Although the season was a failure as to games won, a great deal of experience has been gained, which should "take the players places" next season.

THIS is one of the most significant organizations in the school. It is composed of delegates from each home-room, who meet to discuss and attempt to solve the problems confronting the students.

The officers of the council, along with representatives appointed by Miss Kramer, five persons chosen at large, and chairmen of various committees, form the Board of Control, which punishes the transgressors of the rules and regulations of the council.

Representatives were sent to the New Jersey State conference at Trenton, where they received much help and inspiration.

PRINT CLUB

FOR one and a half years, Audubon High School did not have a school newspaper. This year the Board of Education very generously gave a year's subscription to every member of the school. To show its appreciation, a diligent staff, headed by Mr. Paul Dare and Editor-in-chief Patricia Flack, produced ten good newspapers throughout the year.

A. H. S. BAND

WITH the stadium as its background, our band displayed a number of intriguing letter formations during the playing of its "peppy" marches at the football games. Jack Heake in his gay uniform and Joseph Goertler with his collegiate strut added much color.

Six representatives were sent to play in the County Band.

The steady growth of the band and the evident improvement of its performances can be attributed to the time and energy given by Mr. Gordinier.

A. H. S. ORCHESTRA

UNDER the able and kindly leadership of Mr. Evert, the orchestra has delighted many audiences during the past year. Its members rendered their selections at the Spring Concert with exceptional technique and interpretation.

Nineteen of these youthful musicians represented Audubon High School in the County Chorus Orchestra; five went even one step higher when they were sent to Atlantic City to participate in the All-State Orchestra.

FOR their main event of the year, the Senior Glee Clubs combined and presented the comic operetta "Collegiana," with Alma Perks, Anita Bensing, Gordon Oldfield, and James Flynn singing the principal rôles.

Eighteen of the members had the honor of participating in the Camden County Chorus, and five in the All-State Chorus at Atlantic City.

MR. LANCE deserves much credit for the guidance he has given this coterie of enthusiastic authors, who form the Creative Writing Club. The members have published an interesting monthly magazine, which contains their poems, stories, and essays.

CHOIR

THE CHOIR was once called the "baby" activity of the school; but now, because of the tireless efforts of Mr. Troutman and Miss Satterfield, it has grown into an organization well-worth the praise of the members of Audubon High School. The introduction of choral reading has added a new note of interest to the work of the group.

Audubon High School

The Fathers' Association takes this means of extending to you their heartiest congratulations upon successfully completing your course of study in the Audubon High School.

We dads are justly proud of and want to congratulate you upon your splendid achievement. While perhaps there were times when your work seemed hard and occasions when it seemed very irksome, you have carried on to ultimate victory. As the years come and go you will find the lessons learned of patience, persistence, and perseverance will aid you in all your coming experiences. We trust that the pleasant memories and associations of the past years will remain with you to help you over the hard places of life.

We wish to remind you again that we have a loan fund to assist you, if you find yourself in need, while pursuing your college course.

"Then take this honey for the bitterest cup,
There is no failure save in giving up,
No real fall so long as one still tries,
For seeming setbacks make the strong man wise,
There's no defeat in truth save from within,
Unless you're beaten there you're bound to win."

Yours very sincerely,

WE extend our sincere congratulations
to the members of the Graduating
